Pannekoeken is not your run of the mill restaurant.

At Pannekoeken Family Restaurant, you'll discover dining that's not the same old grind. Everything at our restaurant, from the delightfully different menu to the traditional warm and cozy Dutch atmosphere sings with originality.

From the moment you grace our doors, you'll experience the hospitality the Dutch are famous for. It's our pleasure to treat you with all our little special touches. Like the charming blue and white delftware table setting. Even our drinking glasses are thoughtfully selected for their "Dutch appeal."

Not only will you discover originality at Pannekoeken—you'll taste it. Where else can you find gourmet burgers made with delicious Gouda cheese, or Metworst sausage? Our specialty Dutch stew, Spaetzle salade or Dutch crust bread? Even our french fries are a cut above the rest—lattice as a matter of fact.

So tonight, break away and do something original for dinner. Come to Pannekoeken Family Restaurant.

PARK CENTER FOOTBALL

"UNITED WE STAND"

An ancient parable tells the story of aging King Svatopluk, who taught a valuable lesson to his three sons, knowing they would someday lead the country. He handed each of them, in turn, a bundle of sticks bound tightly together. He challenged each of them to break the bundle over their knee, which none was able to accomplish. The King then untied the bundle and handed each of the sons a single stick. Each of them broke the stick easily, prompting the wise ruler to tell them, "In unity there is strength. United we stand--divided we fall."

In any human endeavor--government, business, medicine, etc.--unity is vital for achievment. The same can be said for a high school football team.

Unfortunately, there are many natural divisions among a group of 80 high school boys; clique vs. clique, wealthy vs. poor, black vs. white, juniors vs. seniors, starters vs. backups, backs vs. linemen, offense vs. defense.

Championships are won by young people who join hands with each other across these natural divisions, because:

(1) A person will work harder when committed to the success of his peers, in addition to his own personal success.

(2) A person will perform better when his peers are urging him to succeed, rather than hoping selfishly that he will fail.

(3) A person will rebound from a mistake faster and more confidently when encouraged by his peers, instead of being criticized for the mistake.

(4) A team will enjoy their successes more when they all share in the joy, rather than as a collection of cliques and individuals.

(5) And once a team gets a taste of that shared joy, they will strive even harder to get it again.

We as coaches of the '87 Pirates are keenly aware that all of our players are important to our success. Whether they carry the ball or block, whether they contribute on the game field or the practice field, whether they are providing positive leadership in the locker room or the classroom, they need to be united--like King Svatopluk's bundle of sticks.

PIRATE CHAMPIONSHIP TRADITION
Skyline 1971-1973-1974-1975, Lake 1976-1980-1985

THIS PROGRAM IS

DEDICATED TO

EARLE

SOLOMONSON

At the bottom of the facing page are the words "PIRATE CHAMPIONSHIP TRADITION," with the seven conference championships enumerated during Park Center's sixteen years of existence. The head coach for three of those championship seasons (1974, 1975, 1976) was Earle Solomonson.

Earle grew up in Minneapolis, attended Roosevelt High School, and then enrolled his considerable athletic talents at Augsburg College. Earle still owns the single-game scoring record for the Roosevelt basketball team (38 points). He started in both football and basketball in college, and was recently inducted into the Augsburg Athletic Hall of Fame.

Earle and his wife Kathe met in second grade Sunday school, began dating in high school, attended Augsburg together, and wed during their senior year.

He assumed his first football coaching job as an assistant to Dick Walker at Richfield High School in 1969. After five years at Richfield he was hired by Park Center. Del Mottaz remembers when the decision was made to hire Earle, replacing Park Center's first coach, Ron Stolski, who was leaving to become the head football coach and athletic director at Brainerd, Minnesota.

"Dick (Edlund, Park Center principal) and I had interviewed all the candidates and we were ready to offer the job, when Walker called, insisting that we talk to Earle. We agreed to visit with him the night before we were going to announce the new coach. When the conversation was over, and Earle had left, I looked at Dick and asked, "Well, what do you think?" He said, "I think we just found our new coach!"

In 1978 Solomonson left Park Center to become an assistant at North Dakota State University. After seven years in that capacity, he took over as head coach. The perennially powerful Bison reached new heights of excellence, winning two straight Division II National Championships.

Earle credits his wife with easing the pressure of coaching. "In this business you have to have a wife who really understands and works with you," he said. "She gets excited about games but she realizes there are going to be both wins and losses. She is that steadying force in my life. She doesn't get over-excited and she doesn't get over-upset. She cares about me as a person."

"He is a caring individual," Kathe said. "That is what attracted me to him. I'm not going to love him less because he has a losing season and that is the same thing he tells the players. His love for them is regardless of whether they win or lose."

Park Center's rich football tradition exists, in part, because of Earle Solomonson. For that, we dedicate this 1987 Pirate football program to him. And we wish him the best of luck in this new position as the head coach at Montana State University.

Coaching Staff

MIKE BARNES: Head Coach, Offensive Backs
This is the third year at Park Center for Coach Barnes, who came here after two years as a graduate assistant at North Dakota State University. The Pirates are 16-6 under his direction, and he has a career mark of 33-16, including three years as the head coach at South Sioux City, Nebraska. Mike and his wife Kelly have two sons, Greg (4) and Andy (7 months).

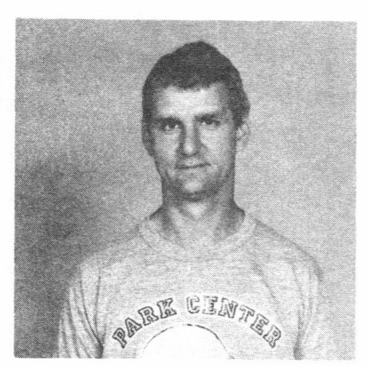

WENDELL RING: Receivers
A native of Kenyon, Minnesota, Wendell played college football and basketball at Augsburg College in Minneapolis. He has served nine years on the Pirate football staff, sandwiched around the 1980 season, which he spent at North Dakota State University. He is head coach of the boys basketball team, winners of Region V and the Consolation Championship at the 1987 State Tournament. Wendell and his wife Barb have a two-year old daughter, Megan.

CONN McCARTAN: Offensive Line
Conn is a graduate of Eden Prairie High School and St. John's University, where he played center for the nationally known Johnnie football team. This is Conn's fifth season on the Pirate football staff. He is also the head coach of the girls basketball team.

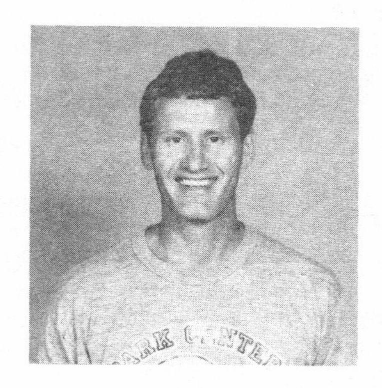

ARNIE ZOPFI: Defensive Coordinator, Secondary
Coach Zopfi is a graduate of Osseo High School, where he was a two-year letterwinner and a member of the 1971 Mythical State Football Champions. In 1976 he graduated from Winona State University, where he was a three-year letterwinner in both football and basketball. Arnie has been coaching at Park Center for seven years and is the varsity assistant boys basketball coach.

ROGER STELLJES: Defensive Interior
Roger is a graduate of Patrick Henry High School, where he played both hockey and baseball, participating in the State Hockey Tournament two years. He is also a graduate of St. Cloud State and the University of Minnesota. He is in his eighth year with the varsity, after nine years with the sophomore program. Roger and his wife Mary have three boys, Roger (20), Chad (19), and Matt (13).

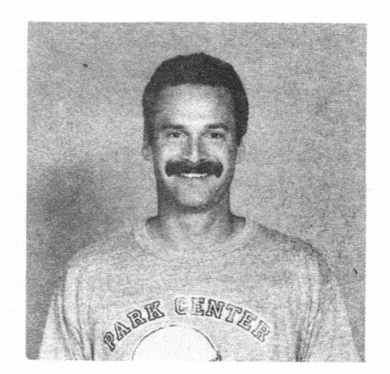

GERRY TURNBERG: Defensive Ends and Linebackers
A native of Robbinsdale, Gerry was a three-sport athlete in high school and an All-State football player. He went on to Moorhead State College where he captained the Dragon football team. Gerry returned to coach at Robbinsdale High School for eight years, the last four as head football and head track coach, until Robbinsdale High School was closed. This is his third season with the Pirates. Gerry and his wife Judy have two daughters, Nicholle (8) and Jillian (5).

"United We Stand" is the motto for the 1987 Park Center football team.

The team will obtain their goals by developing their individual strengths and by combining those strengths into a team effort. They will be "united" whether the going is easy or difficult.

Our school district motto for this year — "Building Bridges" — has a very similar theme. The goal of the district is to build bridges, which unite school and community, teachers and parents, in support of our students.

Park Center students grow stronger because our staff is united with parents and the community. Together, we help each individual student develop their mental, physical, emotional, and social potential.

We believe that Park Center students must be united both on and off the field. We believe that the playing field is a part of the students' total educational experience.

We are proud of our students because they are zealous in all areas of their lives and by being so, they are accomplishing greater and better things.

We encourage you to visit Park Center and observe our total program and see these fine young athletes excelling in all areas of their school life. You are always welcome!!!

Good Luck Pirates!

Park Center Athletics has a deep foundation of tradition. This is especially true with our Park Center Football Program. The program has been highly respected not only in our conference, but throughout the state and the Football Coaches Association. We are not only respected for our won/loss record, but for qualities far more important. It is realized by people who view our program that when difficulties arise, we garner the wherewithal to overcome those difficulties. So much of the credit for this quality has to be given the athletes themselves and their family background.

We wish all of the Park Center Football Teams a worthwhile and successful season.

A VIEW FROM THE BENCH

Tonight's opponent, the Burnsville Braves, come to Carl Tonn Field carrying one of the proudest traditions in Minnesota high school football. The Braves have won three state championships - 1972, 1980, 1985 and they were runners-up to Stillwater in 1984. Their head coach, throughout this string of championships, has been highly respected Dick Hanson.

Burnsville has been a championship calibre team despite a lack of success in the early portion of their schedules. In 1985 the Braves rebounded from three early-season losses to win the state championship. Last year (like this year) they lost two of their first four games, then rallied to reach the semi-finals of the section playoffs.

Tonight kicks off the second-half of the regular season, when the Braves usually begin their championship drive. The Burnsville defense is well-equipped to lead such an uprising. They have six starters back from last year, including All-State calibre free safety Irving Hill (No. 37, 5'10", 185). The others are linebackers Eric Erickson (No. 91, 6'0", 210) and Tim Machacek (No. 51, 5'10", 195), defensive end Mike Craven (No. 85, 6'0", 170), and lineman Jamie Lange (No. 79, 6'0", 215) and Don Bartch (No. 77, 6'2", 220).

You can hear Mike Barnes recap of this game tomorow morning on KANO Radio (1470 AM). Bruce Frank interviews area coaches on "Coffee With The Coaches" every Saturday, 10:30-12:30.

IN THE INTEREST OF GOOD SPORTSMANSHIP AND FAIR PLAY A LOYAL PARK CENTER FAN SHOULD:

1. Treat all players and fans of opposing teams with courtesy and as our guests.
2. Accept as final, all decisions of the officials.
3. Never "boo" a player or an official.
4. Applaud and cheer the good plays of both teams.
5. Never make abusive or irritating remarks from the side lines.
6. Encourage friendly rivalry between the fans.
7. Accept the outcome of the game graciously and in a sportsmanlike way.
8. Support your team, win or lose, and not be a quitter.
9. Promote and support sportsmanlike conduct.
10. Attend the next Park Center event and show your support.

PIRATE CHAMPIONSHIP TRADITION

The Park Center football program is rich in tradition, despite its youth (the school has been in existence since 1971). In just sixteen years, the Pirates have:

(1) won seven conference championships and tied for another.

(2) achieved a winning percentage of 78%.

(3) averaged exactly seven victories per season.

In the last two years alone (the reign of the current coaching staff) the Pirates have:

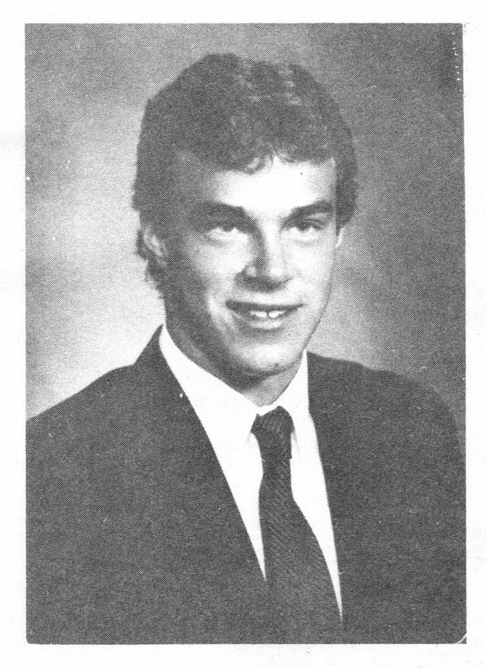

(1) won 16 games, against six defeats.

(2) claimed one conference championship (Lake North, 1985).

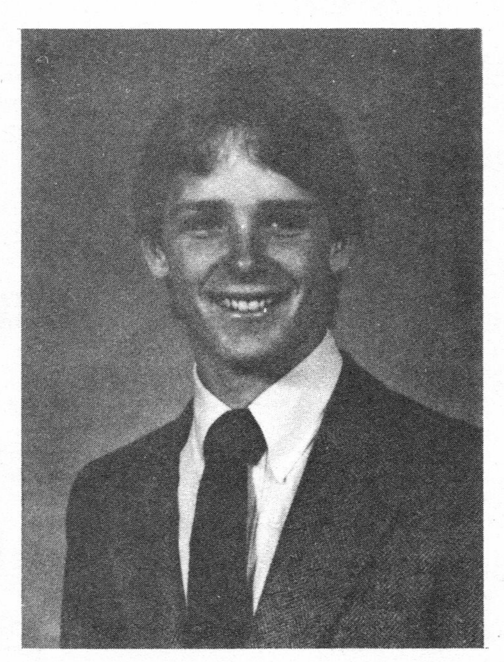

(3) made the Section IV-AA playoffs both years, winning the Section championship in 1985.

(4) been ranked in the state's Top Ten both seasons.

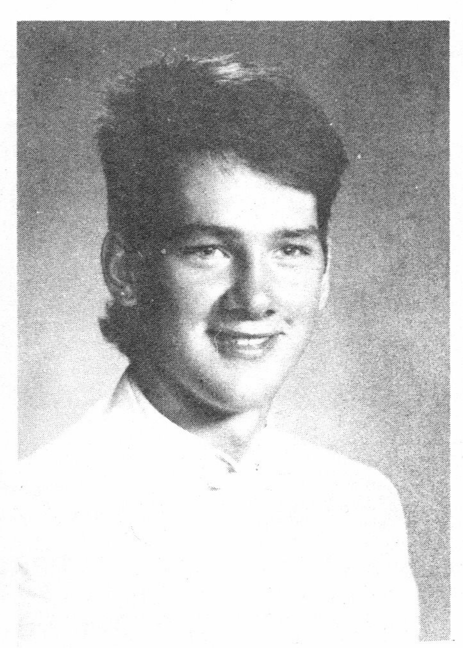

(5) placed three players onto All-State teams.

The great success of the Park Center football teams and the support which they have received from the Park Center fans is a great combination. The team is boosted -- at home and away -- by the loyal "Pirate Pack." When the team responds with a great performance, the fans grow in number and enthusiasm, which spurs the team on to even greater efforts.

No discussion of Park Center football tradition would be complete without mentioning the rivalry with Osseo. The Pirates have fared well in the competition (10 wins, 5 losses, 1 tie), including victories in each of the last two years. There have been some great battles between the sister schools. Seven of the sixteen games have been decided by a single touchdown or less.
